

HAND TOOLS

Hacksaws | Snips | Tubing Cutters | Pipe Wrenches | Screwdrivers | Utility Knives | Tool Bags

We go the **EXTRA-MILE** to bring new thinking to familiar tools. So they make it quicker and easier to get the job done right. We pioneered bi-metal hacksaw blades, and made them virtually **UNBREAKABLE**. We gave our snips pencil-ground tips to cut into tight spots, plus fused-over-molds that can't slip off their double-tang steel handles. And we added a fourth roller to our extra-rugged, ergonomically designed tubing cutters, so they won't walk while cutting—in addition to a built-in reamer to smooth tubing ends. When you get your hands on these and other LENOX hand tools, you won't let go.
