

# E Series LED

## Recessed Downlighting

### Optimized Value, Performance You Can Trust

Combining dependable performance, low cost and the energy-saving benefits of up to a 50,000 hour rated life, E Series LED recessed modules from Lithonia Lighting® offer an optimal value for a variety of residential and light commercial applications. With apertures ranging from 3" to 6" in multiple color temperatures, the flexibility of E Series makes it the perfect LED option for high-volume projects and everyday stock business.

#### Key Features:

- **More flexibility** with 5"/6" compatibility in one module
- **Smaller aperture options** with 3" and 4" modules, and 3"/4" compatibility in one module
- **Available in** baffle or smooth trim options
- **Color temperature** choice of 2700K, 3000K, 3500K, 4000K or 5000K
- **Wet location** listed for indoor and outdoor installations
- **Line voltage dimmable** to 10% with our patent pending zero inrush driver to put more modules on a dimmer circuit

3BE Series - 3" LED Modules

43BE Series - 3"/4" LED Modules

4BE Series - 4" LED Modules

65BE Series - 5"/6" LED Modules
