LED+ dimmer

STCL-153M-XX (New Model Number)

PRO LED+ dimmer

ST-PRO-N-XX

Switch

ST-6ANS-XX

Next generation design and technology

- Touch or swipe the light bar to set your lights
- Soft glow helps you find control in the dark
- Lights gradually fade on and off
- Matching look and feel in multiple locations
- MyLevel personalization gives you the ability to customize your Sunnata touch dimmer
- **PRO LED+ advanced technology** for superior dimming of LED, Halogen, Incandescent, MLV and ELV lighting (PRO LED+ dimmer)
- Proprietary RTISS™ Technology compensates in real time for in-coming line voltage variations and perceived load flicker.
