

SPECIALTY BRUSHES

MASTERS® TUBE CLEANING BRUSH

Made of tough wire bristle, this time-saver cleans the outside diameter of copper tubing instantly and effectively for a better joint.

MASTERS® UTILITY BRUSH

This economical, throw-away, pure bristle brush can be used for a variety of applications. Ideal for applying solvents, stain, paint, plastic pipe solvent cements, bonding agents, resins, adhesives, etc.

MASTERS® ACID, FLUX AND PIPE DOPE BRUSH

This black, natural horsehair bristle brush provides even application. The durable, coated tin plate handle is firmly crimped to eliminate bristle "fall out".
