

M18 FUEL High Torque Impact Wrench Protective Tool Boot

The Milwaukee 49-16-2767 tool boot is for use with the M18 FUEL High Torque Impact Wrench (2767-20 and 2863-20) only. This product provides a lightweight, durable solution that is meant to protect the tool and work surface. A durable rubber design will withstand corrosive materials commonly found in maintenance environments. Not for use on or near live electrical circuits. Use on any other product may result in damage to tool motor and may void tool warranty.
