

Buy it for looks. Buy it for life.®

**DESCRIPTION**

- Three function transfer valve
- Inlets and outlets on same plane
- 1/2" CC connections

**OPERATION**

- Detents at each flow position
- Valve operates 3 independent functions but can be plumbed for 2 independent functions

**CARTRIDGE**

- Ceramic disk cartridge

**STANDARDS**

- Third party certified to meet ASME A112.18/CSA B125.1 and all applicable requirements therein
- Meets ADA  compliance standards

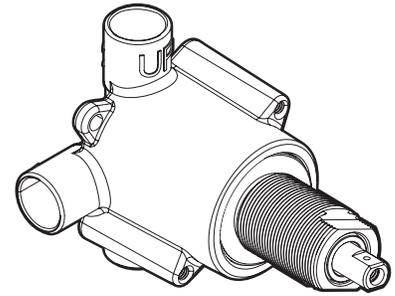

**WARRANTY**

- Lifetime limited warranty against leaks, drips and finish defects to the original homeowner
  - 10 year limited warranty when used in a multifamily installation
  - 5 year limited warranty when used in a commercial installation
- Visit [www.moen.com/support](http://www.moen.com/support) for complete details and limitations

**NOTE**

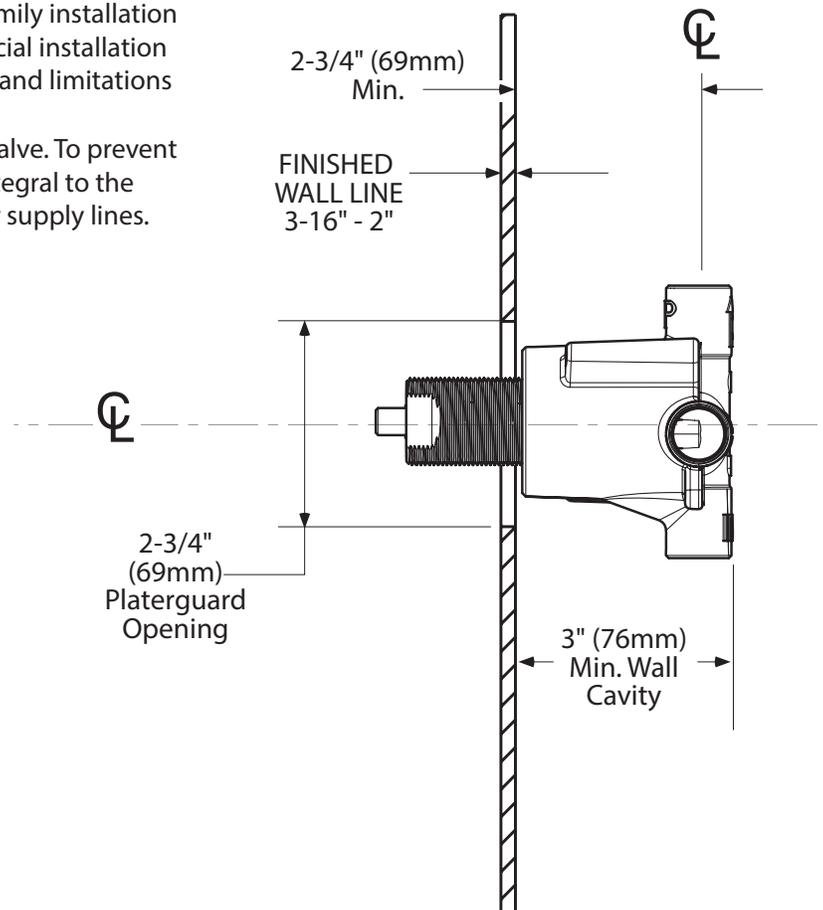

This valve is not intended to be used as a shut-off valve. To prevent the potential of cross flow, check valves must be integral to the supply valve or installed in both hot and cold water supply lines.
