

# LED Corn Cobs

## 36CC/LED/850/ND E26 G2 BB 6/1

Philips Corn Cob LED replacement lamps are perfect LED replacement for a variety of outdoor applications. High intensity illumination, which means you get added visibility for applications like streets, public areas, and much more for a fraction of the energy used by conventional HID.

### Product data

| General Information                   |                                   |
|---------------------------------------|-----------------------------------|
| Cap-Base                              | E26 [Single Contact Medium Screw] |
| Nominal lifetime                      | 50,000 hour(s)                    |
| Switching Cycle                       | 50,000                            |
| Lighting Technology                   | LED                               |
| EU RoHS compliant                     | Yes                               |
| Light Technical                       |                                   |
| Color Code                            | 850 [CCT of 5000K]                |
| Luminous Flux                         | 5,400 lm                          |
| Color Designation                     | Daylight                          |
| Correlated Color Temperature (Nom)    | 5000 K                            |
| Luminous Efficacy (rated) (Nom)       | 150.00 lm/W                       |
| Color Consistency                     | ANSI 5000K quadrangle             |
| Color rendering index (CRI)           | 80                                |
| LLMF At End Of Nominal Lifetime (Nom) | 70 %                              |
| Operating and Electrical              |                                   |
| Line Frequency                        | 50 to 60 Hz                       |
| Input Frequency                       | 50 to 60 Hz                       |
| Power Consumption                     | 36 W                              |
| Lamp Current (Nom)                    | 400 mA                            |
| Starting Time (Nom)                   | 1 s                               |

| Warm-up time to 60% light           | 1 s                                  |
|-------------------------------------|--------------------------------------|
| Power Factor (Fraction)             | 0.9                                  |
| Voltage (Nom)                       | 100-277 V                            |
| UL Type                             | HIB_UL Type B (UL Listed+Classified) |
| Temperature                         |                                      |
| Ambient temperature range           | -20 °C to 45 °C                      |
| T-Case Maximum (Nom)                | 60 °C                                |
| Controls and Dimming                |                                      |
| Dimmable                            | No                                   |
| Mechanical and Housing              |                                      |
| Bulb Finish                         | Clear                                |
| Bulb Material                       | Plastic                              |
| Bulb Shape                          | Corncob                              |
| Approval and Application            |                                      |
| Energy Consumption kWh/1000 h       | 36 kWh                               |
| Application Conditions              |                                      |
| can it be used in closed luminaires | Yes                                  |
