Highlights

Saving up to 77%

By replacing traditional light bulbs with a Philips CFL alternative, you will gain immediate, significant, energy savings while contributing to a sustainable planet.

Energy efficient lamp

This bulb saves up to \$51.7 in energy costs when you replace a 60 Watt incandescent with this 13 Watt compact fluorescent light bulb**.

Lifetime 9 years

With a lifetime of up to 10.000 hours, this Philips CFL lamp will ensure your desired atmosphere for up to 9 years*.

Soft White 2700K

Light can have different colour temperatures, indicated in units called Kelvin (K). Bulbs with a low value produce a warm, more cozy light, while those with a high Kelvin value, create a cool, more energizing light.

Multi Pack

A convenient 6-pack for even more savings

Similar to Incandescent

This CFL lamp is perfect for general lighting. Ideal for table lamps and wall sconces.
