Notes:

Philips CFI CFW Commercial Wrap is a 4' fluorescent luminaire designed for general indoor use where budget is a priority. It features a die-formed, ribbed housing and a one piece extruded prismatic lens.

Ordering guide

Example: CFW232-120-1/2EB-GENIS

Family	Lamping (not included)	Lamp type / Wattage	Voltage	Ballast
CFW	2	32	120	1/2-EB-GENIS
CFW Commercial Wrap	2 2 lamps	32 32WT8 (48")	120 120 volts	1/2-EB-GENIS Electronic ballast

Construction / Finish

- Surface mounted compact, modular, fluorescent fixture with wrap around acrylic lens.
- Full metal end caps mechanically fastened to housing and captures lensed.
- Die formed ribbed and embossed housing.
- Ideal for home and office indoor applications.
- The housing is painted post fabrication.
- One-piece extruded prismatic lens: pattern 12 for low brightness.
- Suitable for individual or continuous row mounting

Electrical

- Class P, HPF, CBM certified ballast complies with Z Federal Ballast Law (Public Law 100-357, 1988)
- 120V, HPF, instant start electronic ballast

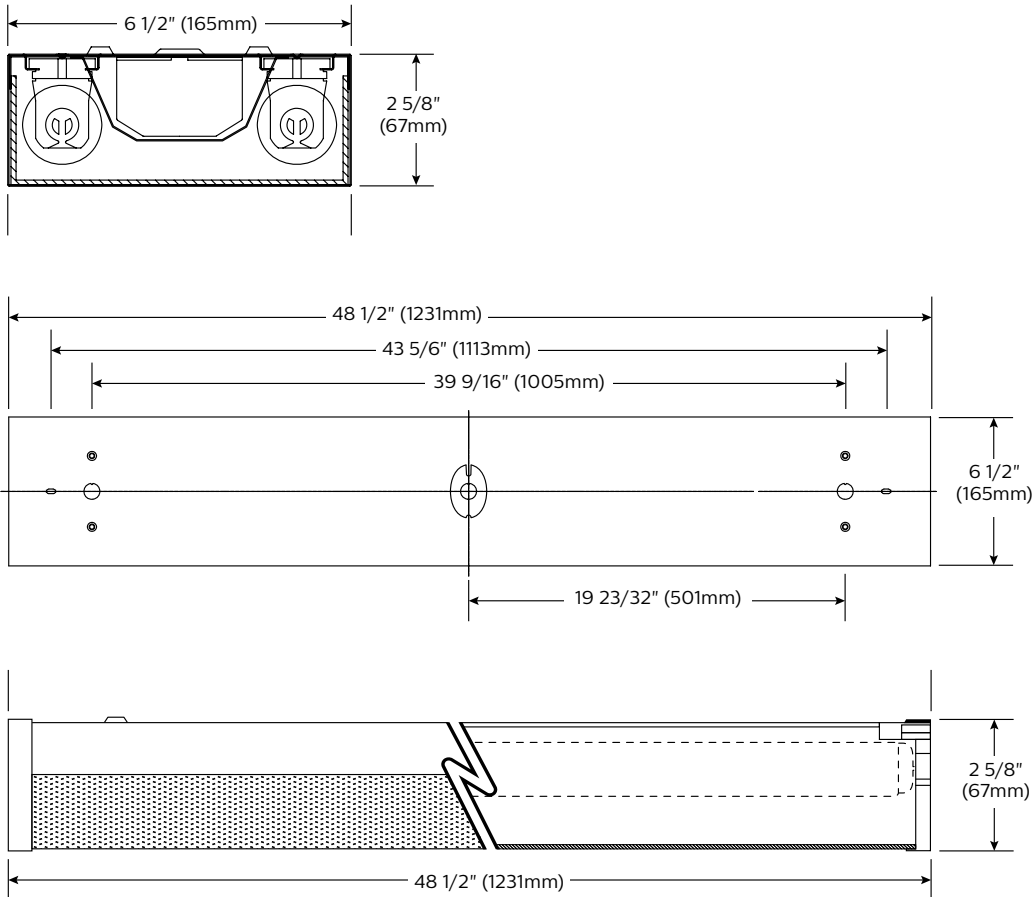

Labels

- CSA certified for use in damp locations.

Dimensions

Some luminaires use fluorescent or high intensity discharge (HID) lamps that contain small amounts of mercury. Such lamps are labeled, "Contain Mercury" and/or the symbol "HG". Lamps that contain mercury must be disposed of in accordance with local requirements. Information regarding lamp recycling and disposal can be found at www.lamprecycle.org
