

Vapor Barrier Cable Box 4-Gang, Non-Metallic

By RACO
Catalog # 82024FBAR

Vapor Barrier Cable Box 4-Gang, Non-Metallic

Features

- For use with Nonmetallic sheathed cable
- Flanged with vapor barrier and integral wire entry seal providing superior energy savings and quick installation
- Self-Clamping wire entry clamps
- Hands free installation
- For 1/2", 5/8", 3/4" drywall

Application

Vapor barrier boxes prevent unwanted penetration of exterior air and help maintain the existing interior environment for elements outside the structure. RACO® nonmetallic vapor barrier cable boxes provide the installer a cost savings alternative that is lightweight and easy to install and provides excellent protection for wiring and devices. RACO® non-metallic cable boxes are used in branch circuit wiring to splice wires and accommodate wiring devices such as switches and receptacles.
