

New! Stand Range

RECTORSEAL

Simply a better way

Big Foot® Fast Fix Stands provide a solid ground mount support system for a wide variety of condensing units.

- Strong and sturdy base for individual or multiple units.
- Rugged ASTM-A36 galvanized steel corrosion resistant support.
- More corrosion resistant than competitor stands.
- Pre-boxed – quick assembly.
- Base extensions allow unlimited mounting possibilities.

VRF / VRV
6 skus cover all VRF units.

MINI SPLIT
2 skus to cover all mini-splits
