

LED PL lamps are the ideal solution to replace plug-in compact fluorescent lamps and are just as easy to install. These LED lamps are available in 2-pin and 4-pin, as well as in horizontal and vertical models.

They are perfect for use in commercial buildings, hotels and offices by providing an eco-friendly and cost saving alternative to any ceiling fixture, recessed can, downlight and sconce.

Order code	Description	Shape	Watts (W)	Base*	Colour temp. (K)	CRI	Average life L70 (hrs)	Initial lumens ¹ (lm)	CFL replacement (W)	Dimmable (Y/N)	Case qty (inner/master)
Vertical - MOL : 4 23/32 in. (118.5 mm) Dia. : 2 1/8 in. (54 mm)		Horizontal - MOL : 5 1/16 in. (132 mm) Dia. : 1 1/8 in. (41 mm)
