

# LED Retro

These LED Retro downlights offer a simple and economical option in any traditional downlight retrofit application. Easily replace the original lamp and trim with this LED solution and save on energy consumption and maintenance costs. With an E26 socket adaptor, this luminaire will fit in most traditional 4", 5" and 6" housings, and will be installed in no time.

- Perfect for both indoor and outdoor applications
- High CRI of 90 for great light output
- Regressed look to reduce glare
