### Pilot Light Heads

| Description                                      | Colour   | Reference |
|--------------------------------------------------|----------|-----------|
| For Incandescent Bulbs                           | ○ White  | PB-BV01   |
|                                                  | ● Green  | PB-BV03   |
|                                                  | ● Red    | PB-BV04   |
|                                                  | ● Amber  | PB-BV05   |
|                                                  | ● Blue   | PB-BV06   |
|                                                  | ● Clear  | PB-BV07   |
|                                                  | ● Yellow | PB-BV08   |
| High Contrast, for use With Neon Bulbs** or LEDs | ○ White  | PB-BVL01  |
|                                                  | ● Green  | PB-BVL03  |
|                                                  | ● Red    | PB-BVL04  |
|                                                  | ● Amber  | PB-BVL05  |
|                                                  | ● Blue   | PB-BVL06  |
|                                                  | ● Clear  | PB-BVL07  |
|                                                  | ● Yellow | PB-BVL08  |

### Complete Pilot Light Bodies

| Description                                                        | Supply voltage                                                     | Colour   | Reference |
|--------------------------------------------------------------------|--------------------------------------------------------------------|----------|-----------|
| Direct<br>BA 9s Filament<br>Bulb* Supplied                         | 12V / 24V / 48V / 110V / 130V<br>(AC)(DC)○                         | -        | PB-BV6■   |
| Through Resistor<br>BA 9s, 130V Filament<br>Bulb Supplied          | 240V<br>(AC)(DC)                                                   | -        | PB-BV7    |
| Through Resistor &<br>Diode BA 9s, 130V Filament<br>Bulb Supplied  | 240V<br>(AC)                                                       | -        | PB-BVD7   |
| Via Integral Transformer 1.2VA<br>BA 9s, 6V Filament Bulb Supplied | 110V / 6V<br>(AC)                                                  | -        | PB-BV3    |

|                            |                                                                | ● Blue   | PB-B7IVL76 |
|                            |                                                                | ● Clear  | PB-B7IVL77 |
|                            |                                                                | ● Yellow | PB-B7IVL78 |

- ○ Body assemblies (suitable for bulb 2.6W max.) upto 230V max. available without bulb
- \* Bulb rating 12V to 130V, 2.6W (max.)
- \*\* For Neon bulbs, only Green, Red & Amber is available.
- ■ Please mention voltage while ordering
- For accessories refer page C-9 & C-10
- For legend plates refer page C-10
