

Available Finishes

We are pleased to announce the launch of a new color service, allowing you to personalize the exterior of our freestanding baths and basins to coordinate with the rest of the bathroom's design. In addition to our existing six standard paint finishes (Matte White, Matte Black, Gloss Black, Anthracite, Light Gray and Stone Gray), we are now offering a spectrum of 194 RAL colors in either gloss or matte finishes.

Each finish is multi-layered using a special catalyzed paint, with hand polishing between applications. The technique results in an exceptional depth and luster to the finish and is considerably more durable than hand-painted surfaces.
