

EAN:	4013288187840	Size:	370x345x140 mm
Part number:	05004351001	Weight:	2440 g
Article number:	Wera 2go 2	Country of origin:	PL
		Customs tariff number:	42029298

- Wera 2go tool container with inner and outer hook and loop fastener zones
- Individually configurable for greater mobility
- Ideal also for the docking of Wera textile boxes and pouches equipped with hook and loop fastener zones
- Easily packed and cleared out
- Hands remain free during Transport

The Wera 2go tool container is the ideal solution for individual and convenient tool transport thanks to its hook and loop fastener system and its compactness. The inner and outer hook and loop fastener zones ensure a maximum in terms of space utilisation. This means that an incredible number of tools can fit in and on the container. Wera 2go 2 ensures a low weight since only the tools really needed for the job are taken along. The robust and dimensionally stable material protects the tools carried against damage and moisture and enhances the service life of the tool container. The padded and width-adjustable shoulder strap and the snug fit of the container on the body mean that the container is easy and convenient to carry. The hands remain free during transport. It comes with a quiver with an individually adjustable hook and loop fastener partition for screwdrivers and other tools.

Wera 2go Tool Container with inner and outer hook and loop fastener system
Individually configurable for greater mobility
Ideal also for the docking of Wera textile boxes and pouches equipped with hook and loop fastener zones
Easy insertion and removal
Hands remain free during transport

Robust and dimensionally stable

The robust and dimensionally stable material protects the tools carried against damage and moisture and enhances the service life of the tool container.

Variable thanks to the hook and loop fastener system

The inner and outer hook and loop fastener sections mean that other Wera 2go system components can be just as easily attached as all other Wera tools in boxes and pouches with hook and loop fastener zones. This enables an individual composition of the tools needed for a specific job.

Clever organisation

The variably adjustable hook and loop fastener partition in the Tool Quiver ensures neat and tidy arrangement of the tools.

Which textile boxes can be docked with the Wera 2go system without the need for any additional aids?

Wera packaging bearing this symbol contains tool pouches or textile boxes with nonwoven sections that can be docked with the Wera 2go system.
