## Bits for TORX® Screws

### Set contents:

**867/1 TORX®**

05066330001 1 x TX 50 x 35 mm

### Bits

The right bit for every screw and for every power tool connection. The right quality for every user. Thanks to the high-precision profile design and the outstanding concentricity properties, Wera bits provide for dependable working and offer great durability. Wera bits are designed for professional applications in industry as well as in the trade. They enable higher torque transfer and typically have a long service life. Material and manufacturing expertise, established over decades, combined with sophisticated hardening technologies form the foundation upon which our premium quality is based.
