**Robust, light, rigid**

The material used stands out with its high level of robustness. At the same time, the textile box is light and rigid. Even if the textile box falls down, the tools are well protected.

**Secure hold and easy removal**

The all new smooth turning mechanism guarantees both secure and rattle-free storage, yet allows easy removal of the tool.

**Flexible due to hook and loop fastener strips**

The textile box features a fleece zone at the back. Using the provided self-adhesive hook and loop fastener strips, the textile box can be attached to the Wera 2go components. Or to the wall, shelf or workshop trolley.
