Contractor: _____

Date of approval: _____

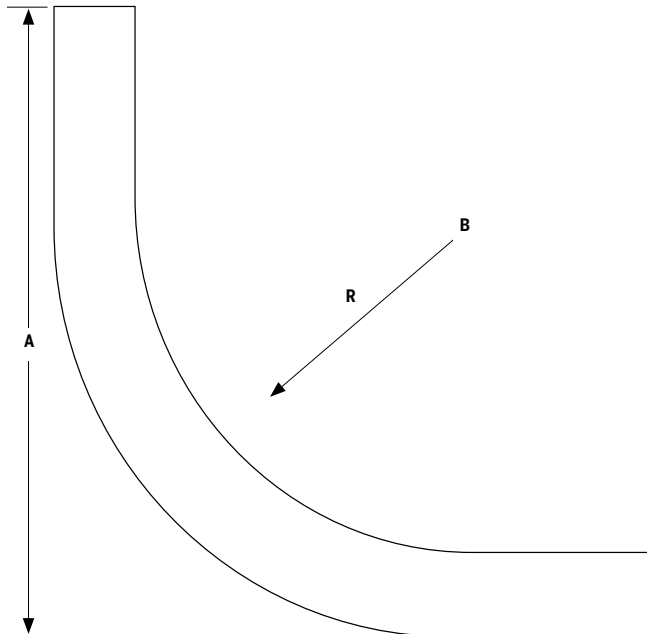

DESCRIPTION

The 90° angle elbow prevents supply and return PEX tubing from bending and/or cracking under the concrete floor. Allows easy directional alignment of radiant loop. Made of PVC.

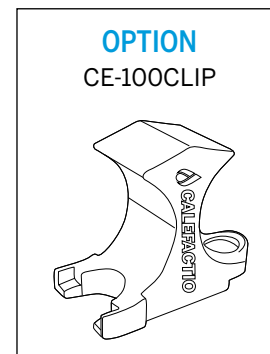

- ▶ 1" PVC Elbow for ½ " and 5/8 " PEX.
- ▶ Can be installed with Calefactio clips CE-100CLIP.

INSTALLATION

Insert the PEX from the manifold into the elbow at the slab level.
