

canplas® Chrome Adjustable Angle Bath Waste and Overflow Kits

Adjusts 10° front to back and side to side matching different tub wall angles.

Pop-up,

Plug & Chain,

or Lift & Turn

A modern design for simple installation

The overflow is designed with a secured gasket and a retainer nut that can be hand tightened. An enhanced faceplate simply snaps firmly on without the use of unsightly screws or bolts.

AVAILABLE IN: ABS, PVC GREY or PVC FR-PRO GREY
