QUICK REFERENCE GUIDE FOR FOOD SERVICE AND PLUMBING

Your Global Partner for Innovative Solutions

COMPONENT HARDWARE

ABOUT US

- Innovative manufacturer of specialty components and customized solutions since 1981
- Market leader with extensive engineering, global manufacturing and distribution capabilities
- Serving the foodservice, healthcare, hospitality, commercial and institutional markets
- Offering a wide array of commercial plumbing products, kitchen exhaust system components, fabrication hardware and refrigeration hardware
- Providing the industry's best casting, forging, stamping, machining, injection molding, extruding, fabrication and custom sub-assembly solutions

WHY YOU SHOULD CHOOSE US

- **A trusted and valued supply partner**, solving our customers' problems - saving them time, money, and headaches
- **Global Supply Chain** ensures on-time delivery of quality products wherever you may need them to keep your production lines running smoothly and efficiently
- Our meticulous **Quality Assurance team** insures our products meet or exceed all market standards and regulatory requirements
- Ability to **cost-effectively engineer** and build specialty or proprietary component and subassembly solutions on projects of all sizes
- **Global engineering and manufacturing capabilities**, including machining, metal forming, forging, stamping, die and sand casting, plastic injection molding, extruding, fabrication and subassembly operations allow for complete design and customization flexibility
- **Comprehensive product catalog** of over 9,000 items including specialty and customer-proprietary items
- Our **virtual manufacturing model** permits us to own our product designs and tooling without incurring the prohibitive expenses of owning the physical production facilities

WHERE TO FIND US

- Headquartered in Lakewood, NJ, USA with warehouses and sales offices located throughout the United States, Canada, Asia and Europe
- International distribution network ensures timely delivery of quality products to virtually any location in the world

Introducing 

Intelli-Flo™

Electronic Faucets and
Handwash Station

Conserve Water & Save Energy – 5 Month ROI \$

Features & Benefits

- 70% reduction in water consumption
- Outstanding battery life – 500,000 cycles or 11.4 years
- Energy-efficient “latching” solenoid – only uses power to open and close
- 20 second adjustable automatic time-out feature
- Reduced installation time – compact pre-assembled control housing and convenient all-inclusive packaging
- Active infrared – no hunting for “hot spot”
- Optimized sensor angle keeps water flow on hands – less splash

SUPERIOR TECHNOLOGY FOR MORE SAVINGS

 **POWER
ULSE™**
Pre-Rinse Spray Valves

**Cleans 43% Faster.
Uses 58% Less Water*.**

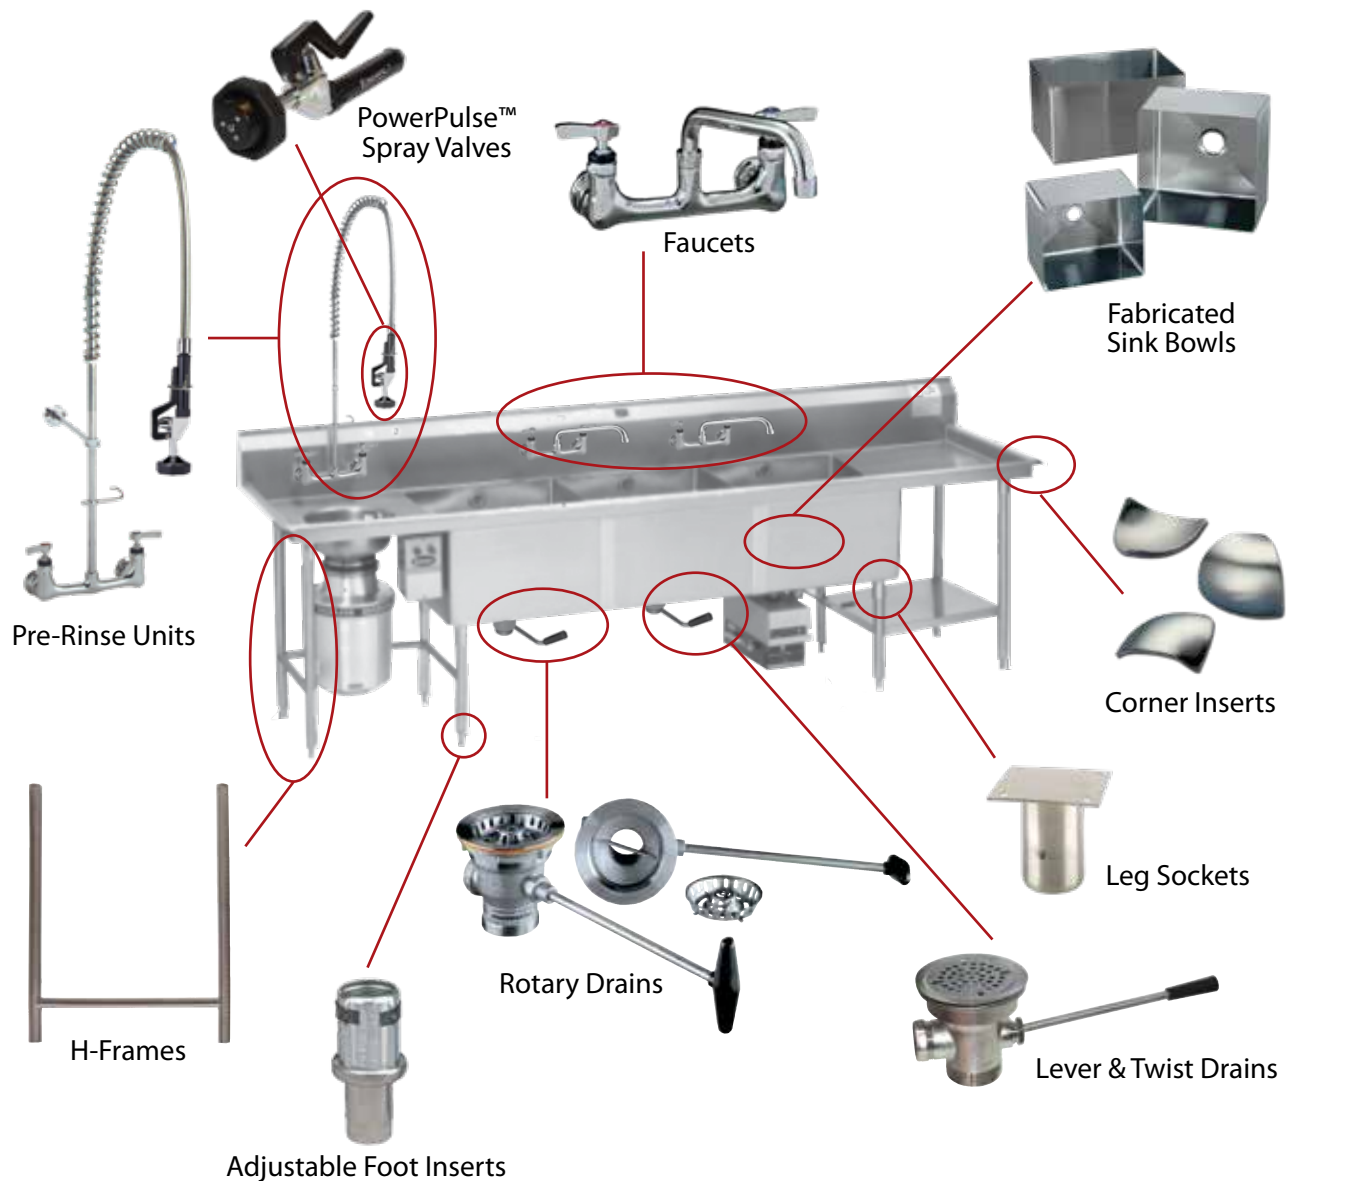

Features & Benefits

- Easy retrofit to most existing pre-rinses – or available in a complete kit
- Unique pulsing action creates a high pressure stream powering off dried and baked on food in **LESS TIME** (as low as 12 seconds*) with **LESS WATER** (up to 58% less vs. competitors*)
- 3 year warranty
- Patent Pending

TERMS & CONDITIONS

Terms of Payment - NET 30 days subject to satisfactory credit arrangements. (No shipments will be made to accounts which are in arrears.)

No Minimum Charge

Deliveries - Component Hardware® is not responsible for delays in deliveries due to circumstances beyond our control such as fires, strikes, transportation delays, material shortages, accidents or other contingencies of similar nature.

Returned Merchandise - No returned goods will be accepted without permission. A Returned Goods Authorization number is required prior to return, which can be obtained by calling Component Hardware at 800-526-3694. All returns must have the RGA Number posted on the exterior of all associated cartons.

No item will be accepted for return six months after invoice date. Freight charges for returned goods must be prepaid. All returned goods are subject to a 25% restocking charge and must be in complete and resalable condition. Items made to customers' specifications or specially ordered goods are not returnable.

Shortages - Any claims for shortage must be made immediately upon receipt of merchandise. Shortage claims will be invalid unless Component Hardware is notified in writing within 30 days of invoice date.

Special Products - If orders for items that are special (non-catalog) are cancelled, Component Hardware shall be reimbursed for any expense incurred in the purchase of raw or finished material and further processing thereof.

Product Changes - Although all items will be furnished as described unless otherwise indicated. However, we reserve the right to alter, modify, or redesign products without creating any liability for the obsolescence of customer inventories.

Taxes - Any federal, state or city taxes applicable will be added to prices shown. Clerical and printing errors and omissions are subject to correction. No representative, dealer, distributor or any other person is authorized or permitted to obligate this corporation to any liability, not strictly in accordance with the above policies.

LIMITED WARRANTY

PLEASE READ THIS LIMITED WARRANTY BEFORE INSTALLING OR USING ANY ENCORE® PRODUCT. IF THESE TERMS ARE NOT ACCEPTABLE TO YOU, IMMEDIATELY RETURN THE PRODUCT TO COMPONENT HARDWARE GROUP, INC. BEFORE INSTALLATION OR USE.

Component Hardware offers a three year warranty on all Encore Premium pre-rinses and electronic faucets. We offer a two year warranty on all other Encore products, with the exception of our commercial hoses, which carry a one year warranty. All TOP-LINE® products carry a one year warranty.

Encore premium plumbing products are manufactured to a rigid code of quality standards and subjected to extensive testing prior to shipment. We assure that each product leaves our factory in perfect working order. With proper care, Encore products will provide the user with years of satisfying service.

Component Hardware warrants to the original purchaser (other than for purposes of resale) of any Encore brand product that such product is free from defects in workmanship and materials for the warranty period from the original date of purchase. During this limited warranty period, if this product is found to be defective, Component Hardware will, at its option, repair and/or replace it. To obtain warranty service, products must be returned to Component Hardware Group, Inc., 1890 Swarthmore Avenue, Lakewood, New Jersey, 08701, using the aforementioned procedure for Returned Merchandise. Shipping, freight, insurance and other transportation charges of the returned product to Component Hardware and the return of the repaired or replaced product to the purchaser are the responsibility of the purchaser. Replacement and/or repair under this warranty shall be made within a responsible time after receipt by Component Hardware of the returned product.

Any express warranty not provided herein and any remedy for breach of contract which but for this provision might arise by implication or operation of law, is hereby excluded and disclaimed. Any implied warranties of merchantability or fitness for a particular purpose are limited in duration to the above one-year period.

Under no circumstance shall Component Hardware be liable to purchaser or any other person for any loss of use of the product or any special or consequential costs, expenses or damages whether arising out of breach or warranty, breach of contract or otherwise incurred by the purchaser or any other user.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific rights and you may also have other rights which vary from state to state.
