Displaying tubs within limited space is not an issue with Aria.

Fleurco has the solution for you to showcase a selection of freestanding bathtubs in your showroom.

With two new mini-tub displays there is an option to fit various space requirements. These new displays were developed to meet your needs. Whether you want to show the mini tubs against the wall, perpendicular to a wall, on a moving panel or on your current shower display unit, Fleurco display program is flexible and is guaranteed to draw your customer's interest for this line while facilitating the selling process.

FLEURCO DISPLAY PROGRAM:

The program is simple.

2. Choose the mini-tub display style (see below) that you feel will best assist you to show the balance of the Aria tub line.
3. Select 6 mini tubs to fit on the mini-display by filling up the accompanying form.
Please take note that the mini-display will exclude the full size tub that has been selected.
4. The display makes a great impact and is adaptable.
