Geberit North America is part of the Geberit Group, a European market leader and global provider of sanitary technology. Located in Des Plaines, Illinois, Geberit North America provides concealed tank and carrier systems for wall-hung and floor-mounted toilets and fixtures. Geberit systems improve the look of any bathroom by hiding the unsightly toilet tank. Replacing a standard tank and toilet with the Geberit system results in more usable space, improved hygiene and better accessibility. The unique dual-flush valve saves water and is practically maintenance free. Geberit also offers cable-controlled bath waste and overflows in a variety of designer finishes. Critical working parts are outside the waterway, ensuring years of trouble-free operation.

For more information, contact your Geberit sales representative, call 800/566-2100 or go to geberit.us.

GEBERIT INSTALLATION SYSTEMS

Distinctive... Sustainable... Uncompromising

Geberit Installation Systems keep the unsightly out of sight.

AESTHETICS

Safely hidden behind the wall, Geberit in-wall technology allows unique beauty from floor to ceiling.

WATER SAVING

Geberit dual-flush technology provides an effective flush volume of 1.1 GPF, exceeding the 1.28 GPF High Efficiency Toilet (HET) standard.

SPACE SAVING

Putting the unsightly toilet tank in the wall, where it belongs, gives you more room. The entire bathroom is safer and more accessible.

EASY TO CLEAN

Because the toilet is off the floor, cleaning the entire area is easy.

FLEXIBILITY

The adjustable-height carrier allows you to position the toilet 15" to 19" off the floor for meeting ADA requirements or personal preference.

STRENGTH AND STABILITY

The Geberit installation system supports up to 880 lbs., exceeding ASME A112.6.2 strength requirements.

ACCESSIBLE MAINTENANCE

The Geberit installation system offers easy access to all internal components, including the fill and flush valves, through decorative actuator flush panels. No tools are needed for simple changeouts.

Duravit Vero toilet with Sigma50 flush plate in Umber Glass finish

INSTALLATION SCENARIOS

Geberit Duofix carriers are simple and easy to install. They require either a 2" x 4" or a 2" x 6" wood frame or metal frame construction. The studs must be placed 19-3/4" apart where the carrier will be positioned inside a wall. For pre-wall installations, frame to wall anchors are needed.

Wood frame in-wall installation, front activation.

Metal frame in-wall installation, front activation.

Pre-wall installation, front activation.

Pre-wall installation, top or front activation.

GEBERIT

BATH WASTE AND TRAP SYSTEMS

The information contained in this document is subject to change without notice.

GEBERIT BATH WASTE AND TRAP SYSTEMS

Trim Finishes and Rough-In Unit Materials

IT'S GEBERIT

IT'S CABLE-OPERATED

Unlike other styles of bath drains, the Geberit Bath Waste and Trap critical working parts are outside the waterway to prevent clogging. The high quality cable is crafted from Teflon® coated stainless steel and has a plastic sleeve to deliver years of trouble-free service.

STYLES TO MEET YOUR NEEDS

PushControl BWO

The Geberit PushControl BWO offers a thin, elegant look.

Traditional TurnControl BWO

The Geberit "original" was first-to-market over 25 years ago.

Cascading Tub Filler BWO

An integrated system that combines the functionality of filling and draining into one component.

SELECTING A TRIM FINISH

The distinctive contoured handles are offered in a wide variety of finishes to match almost any décor. ForeverShine™ finishes have been developed to ensure that the quality and look of the product on which it is applied will last a lifetime. Clean up is simple and requires no abrasive cleansers or chemicals so maintaining the original factory finish is easy.

We are so confident of this finish process that we provide a limited lifetime warranty on ForeverShine™ products installed in residential applications.

Finish	Metal	Plastic
Alpine White (11)		■
Polished Chrome (21)	■	■
Bone (AA)		■
White (DY)		■
Biscuit (FF)		■
Hard Coat Oil Rubbed Bronze (HM)	■	
ForeverShine™ PVD Polished Nickel (IB)	■	
ForeverShine™ PVD Brushed Nickel (ID)	■	

MATERIAL SELECTION

Tubular Plastic

Plastic (polypropylene) is used chiefly for molded parts, electrical insulation, packaging.

Tubular Brass

Brass is a yellowish alloy of copper and zinc used for enhancing items such as the Geberit BWO.

SELECTING A REMOTE

The Geberit Remote BWO Cable Drain features the same quality and performance as our full line of bath waste and overflow products, but with remote access possibilities. Its unique two-headed design gives you the flexibility of handle placement for ADA applications.

ABS

ABS (Acrylonitrile, Butadiene, Styrene) is a plastic that's hard and durable through a broad range of temperatures.

PVC

PVC, polyvinyl chloride, a widely used thermoplastic polymer, is tough, dent-resistant and maintains properties over long periods of time.

JOINTS

Slip joints are used when the drain will be accessible for maintenance. Glued joints are used for non-accessible drains. Geberit supplies tubing for slip connections with BWOs, but does NOT supply ABS/PVC piping for glued connections.

GEBERIT BATH WASTE AND TRAP SYSTEMS

Selecting the Right Size Bath Waste and Overflow

FOR CONVENIENCE, USE THIS PAGE WHEN SIZING YOUR CABLE LENGTH.

Sizing a Geberit cable drain is simple. Start with acquiring the **Tub Depth** (see **FIGURE 1**), which serves as a rough guide for your final selection. While the actual definition of “tub depth” varies by manufacturer and model, the measurement is used to get a rough idea of the cable length you will need. Use the **Standard Rough-In Unit Cable Lengths** chart (below, right) to determine cable length based on your tub depth.

To assure your rough calculations are correct and your BWO will function properly, however, please follow these steps (refer to **FIGURE 1**).

1. Determine the **Overflow Depth (A)** which is the distance from the overflow center to drain mounting surface.
2. Determine the **Drain Shoe Length (B)** which is the distance from the drain centerline to the overflow mounting surface.
3. Choose **material** and joint **connection type**. Because material selection and joint preparations selection are covered by local codes, be sure a professional contractor is involved. Geberit offers a complete spectrum of BWO materials to assure code compliance (see page 33). The materials offered are Tubular Polypropylene, Tubular Brass, ABS and PVC.
4. To determine the **final size** of your BWO for **Tubular Slip-Joint Plastic/Brass** cable drain, use **FIGURE 2** on page 35. To determine the final size of your BWO for **glued ABS/PVC** cable drain, use **FIGURE 3** on page 35.
5. Your information can now be used to find the part number on each type of Geberit BWO.

Once you have determined the size and part number, you can also give this information to your sales outlet so they can verify you have the right Geberit model for your needs.

Standard Rough-In Unit Cable Lengths

Key	Typical Tub Depth*	Cable Length
■	12"–16" (301–402)	17" (432)
■	17"–24" (427–602)	27" (678)
■	17"–24" (427–602)	33" (828)
■	25"–29" (628–728)	43" (1,079)
■	30" (753)	59" (1,481)

*Varies by manufacturer and model number.
Non-standard sizes, please refer to geberit.us

FIGURE 2

**Standard Tubular Slip Joint
Rough-In Unit Cable Length
Configuration Guide**

Use this chart to figure cable length needed for Plastic/Brass standard Tubular installations.

Example:

Ⓐ Overflow Depth = 14"

Ⓑ Drain Shoe Length = 7.5"

Requires a Rough-In Unit with a cable length of 27".

Custom installations can be achieved using standard Tubular Rough-In Units provided cable length is within acceptable range illustrated by shaded areas in guide.

Geberit recommends you review any custom installations with your sales outlet to assure you have the right model for your needs.

FIGURE 3

**ABS/PVC Glued Rough-In Unit
Cable Length Configuration
Guide***

Use this chart to figure cable length needed for ABS/PVC glued custom installations.

Shaded areas indicate acceptable range of measurements for each cable length.

Example:

Ⓐ Overflow Depth = 22.5"

Ⓑ Drain Shoe Length = 12.5"

Requires a Rough-In Unit with a cable length of 43".

Geberit recommends you review any custom installations with your sales outlet to assure you have the right model for your needs.

* ABS/PVC pipes not supplied

GEBERIT PRODUCT CATALOG

Limited Warranty

LIMITED WARRANTY – The Company offers limited warranties regarding certain of its products. Such limited warranties can be found in the Company's catalogs and on its website at geberit.us. **THE COMPANY SHALL NOT BE LIABLE TO BUYER, OR TO ANYONE CLAIMING UNDER BUYER, FOR ANY OTHER OBLIGATIONS OR LIABILITIES, INCLUDING, BUT NOT LIMITED TO, OBLIGATIONS OR LIABILITIES ARISING OUT OF BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE OR OTHER TORT OR ANY THEORY OF STRICT LIABILITY, WITH RESPECT TO THE PRODUCTS OR THE COMPANY'S ACTS OR OMISSIONS OR OTHERWISE. THE COMPANY AND BUYER AGREE THAT THE EXPRESS WARRANTIES DESCRIBED ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES. ALL OTHER EXPRESS WARRANTIES ARE DISCLAIMED. FOR COMMERCIAL PRODUCTS, ALL WARRANTIES IMPLIED BY LAW, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED. FOR CONSUMER PRODUCTS, WARRANTIES IMPLIED BY LAW, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY LIMITED TO THE PERIOD OF THE EXPRESS LIMITED WARRANTY FOR THE RELEVANT PRODUCT.** Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to Buyer. IN NO EVENT SHALL THE COMPANY BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT OR SPECIAL DAMAGES. THE COMPANY'S AGGREGATE LIABILITY WITH RESPECT TO A DEFECTIVE PRODUCT AND THIS CONTRACT SHALL BE LIMITED TO AN AMOUNT EQUAL TO THE MONIES PAID TO THE COMPANY FOR THAT DEFECTIVE PRODUCT. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to Buyer. Please see the Company's limited warranty statement for details on limitations.

TO WHOM DOES THIS WARRANTY APPLY? – The Company extends the following limited warranty to the original user only.

WHAT DOES THIS WARRANTY COVER AND HOW LONG DOES IT LAST? This warranty covers the following Commercial Products:

BATH WASTE AND OVERFLOW PRODUCTS WARRANTY – Bath Waste and Overflow products are warranted against defects in material and workmanship for the life of the Products.

GEBERIT INSTALLATION SYSTEMS – Frame, Flushing Tanks, and Actuators for Geberit Installation Systems are warranted against defects in material and workmanship for the life of the Products. Filling and Flushing valves are warranted against defects in material and workmanship for 10 years from the date of Product purchase. The Company offers NO WARRANTY for Product batteries. Use of third party Actuators (and hardware), or Fill and Flush valves voids all Flushing Tank warranties.

FIVE YEAR FINISH WARRANTY – RESIDENTIAL – For Products used in residential applications, the finish of the Product is warranted against material manufacturing defects for a period of five (5) years from the date of Product purchase.

FOREVERSHINE™ and HARD COAT FINISHES WARRANTY – RESIDENTIAL – ForeverShine™ and Hard Coat finishes installed in residential-use applications are warranted not to corrode, tarnish or discolor for the life of the Product.

OTHER WARRANTIES – All other Products not covered above are warranted against material manufacturing defects for a period of one (1) year from the date of Product purchase.

WHAT THIS WARRANTY DOES NOT COVER – The Company will not be liable for any labor, transportation or consequential expenses not specifically stated above. There is **NO WARRANTY** in cases of damage in transit, negligence, abuse, abnormal usage, misuse, accidents, normal wear and tear, damage due to environmental

or natural elements, failure to follow the Company's instructions, unauthorized repair, incorrectly performed maintenance or repair, improper installation or storage or use of acidic, abrasive cleaning materials. In order for this Warranty to apply, Buyer must retain and provide to the Company receipts showing date of Product purchase and documenting proper maintenance. Any oral or written description of the Products is for the sole purpose of identifying the Products and shall not be construed as an express warranty. **THE COMPANY SHALL NOT BE LIABLE TO BUYER, OR TO ANYONE CLAIMING UNDER BUYER, FOR ANY OTHER OBLIGATIONS OR LIABILITIES, INCLUDING, BUT NOT LIMITED TO, OBLIGATIONS OR LIABILITIES ARISING OUT OF BREACH OF CONTRACT OR WARRANTY, NEGLIGENCE OR OTHER TORT OR ANY THEORY OF STRICT LIABILITY, WITH RESPECT TO THE PRODUCTS OR THE COMPANY'S ACTS OR OMISSIONS OR OTHERWISE. THE COMPANY AND BUYER AGREE THAT THE EXPRESS WARRANTIES DESCRIBED ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES. ALL OTHER EXPRESS WARRANTIES ARE DISCLAIMED. FOR COMMERCIAL PRODUCTS, ALL WARRANTIES IMPLIED BY LAW, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED. FOR CONSUMER PRODUCTS, WARRANTIES IMPLIED BY LAW, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY LIMITED TO THE PERIOD OF THE EXPRESS LIMITED WARRANTY STATED ABOVE FOR THE RELEVANT PRODUCT.** Some States do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Any assistance the Company provides to or procures for Buyer outside the terms, limitations or exclusions of this warranty will not constitute a waiver of the terms, limitations or exclusions of this limited warranty, nor will such assistance extend or revive the warranty. The Company will not reimburse Buyer for any expenses incurred by Buyer in repairing, correcting or replacing any defective Products, except for expenses incurred with the Company's prior written permission.

HOW TO GET SERVICE – For complete warranty details, or to provide notice of a warranty claim or request warranty service, contact your Geberit Sales Representative or Geberit, Customer Service, 2100 S. Clearwater Drive, Des Plaines, Illinois 60018 or 847-803-5000. As the Company's sole and exclusive obligation under this warranty (and Buyer's sole and exclusive remedy), upon prompt written notice of breach from Buyer during the warranty period, the Company will either replace or repair the defective Product or refund the wholesale purchase price, at its option, if an inspection by the Company discloses defects in material or workmanship covered by this warranty. These warranty provisions do not cover the battery shipped with the electronic products.

LIMITATION ON DAMAGES – IN NO EVENT SHALL THE COMPANY BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT OR SPECIAL DAMAGES. WITHOUT LIMITING THE FOREGOING, THE COMPANY SHALL NOT BE LIABLE FOR ANY DAMAGE A PALM DEVICE OR ANY SOFTWARE OR RELATED EQUIPMENT ALLEGEDLY CAUSES TO A SYSTEM OR OTHERWISE. THE COMPANY'S AGGREGATE LIABILITY WITH RESPECT TO A DEFECTIVE PRODUCT AND THIS CONTRACT SHALL BE LIMITED TO AN AMOUNT EQUAL TO THE MONIES PAID TO THE COMPANY FOR THAT DEFECTIVE PRODUCT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

HOW DOES STATE LAW APPLY? – This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

www.geberit.us

Geberit North America is part of the Geberit Group, a European market leader and global provider of sanitary technology. Located in Des Plaines, Illinois, Geberit North America provides concealed tank and carrier systems for wall-hung and floor-mounted toilets and fixtures. Geberit systems improve the look of any bathroom by hiding the unsightly toilet tank. Replacing a standard tank and toilet with the Geberit system results in more usable space, improved hygiene and better accessibility. The unique dual-flush valve saves water and is practically maintenance free. Geberit also offers cable-controlled bath waste and overflows in a variety of designer finishes. Critical working parts are outside the waterway, ensuring years of trouble-free operation.

For more information, contact your Geberit sales representative, call 800/566-2100 or go to **geberit.us**
