3 Light Pendant

The Avon collection is simple sophistication in a natural form. The collection features twisted organic fibers stretched over sturdy steel frames. Tight in spots and wide in others, bleached raphia rope is braided and stretched on Matte Black frames. To add visual interest, our designers used textured metal bands as accents. Avon's feminine silhouettes and neutral hues are perfect for transitional to contemporary homes. This collection has multiple fixture types. Pendants provide stylish focal points and this 3-light pendant is comfortably sized for a small nook, dining, or entry.
