Collections

V01.21

There are many choices out there when it comes to bathroom vanity sinks and we hope to be the solution you need. Our undermount assortment of ceramic sinks provide choices for a wide range of bathroom configurations including our featured 13" x 10" undermount with its space saving properties! The next generation are slipping into home ownership by adopting the 'tiny house' philosophy.

Of course, if you've got the space to spread out, grab one of our 19" x 11" and create a beautiful double vanity or opt for a stand-out vessel style sink. All Nantucket models are durable vitreous china, finished in a porcelain enamel glaze to stand up to daily use in the bathroom, including gels, soaps and toothpastes! Whatever your living accommodations, Nantucket has a sink to get the job done in style.
