

Notes:

This is not an engineered drawing and does not necessarily include all the components for an entire system. It is intended as a representative sample of how the control may be wired for a sample application. It is the responsibility of the installer to seek professional advice and/or install the system to meet all necessary codes for the jurisdiction of the actual installation.

### Title

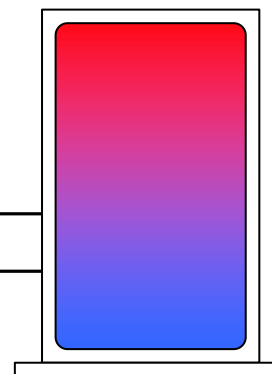

T-LO-TP-0020-S  
2 ZONE  
LOW TEMP  
PANEL
