

THERMO™

Thermopan Accessories

Thermopan Signature Product Line

“Anywhere you can pan a joist, you can use our Thermopan.”

Thermopan is a high quality, no noise, sheet metal alternative for constructing return air ducts

Thermopan Headers

- Pre-cut and scored to fit easily between joists
- Specially-sized headers are cut and scored to fit I-Joist construction
- When installed properly with our Thermopan sheets, Thermopan headers complete the job by sealing off the joist space

Thermopan Connectors

- Connectors are molded polypropylene strips which easily connect Thermopan sheets and Thermopan Headers
- Available for all sizes of Thermopan
