

MIKRA SERIES

CLG CABINET LIGHT | GIMBAL

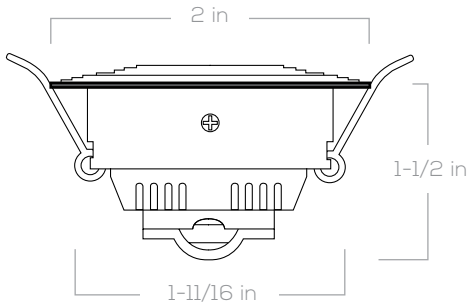

Part #	UT-CLG-R-
Project	
Type	

The CLG LED cabinet lights are our popular gimbal option for millwork projects such as cabinetry, shelving, stairs, or other small area lighting. Our LED technology ensures the light output is uniform with no visual hot-spotting. These lights can be easily recessed into the desired location while maintaining future accessibility. The CLG lights are dimmable down to 1% and are available in three trim colors.

All dimensions are approximate, please acquire product sample(s) for precise milling.

TRIM OPTIONS:

PRODUCT SPECIFICATIONS:

Input Voltage	12V DC	Min. Depth	1-1/2 inch
Power Consumption	3.0W	Gimbal Features	Bi-directional, 25° gimbal adjustment
Initial Lumens	~125	Rating	Dry location
