

# MIKRA SERIES

CLM CABINET LIGHT | ULTRA-THIN

|         |            |
|---------|------------|
| Part #  | UT-CLMi-R- |
| Project |            |
| Type    |            |

The ultra-thin CLM edge-lit LED cabinet light is an optimal solution for low-profile cabinetry, display shelving, stairs, or other small area lighting. These can be surface mounted or recessed into the desired location. They are dimmable and available in three colors via removable magnetic face-plates. Their compact size makes them the ideal solution for many indoor applications.

*All dimensions are approximate, please acquire product sample(s) for precise milling.*

## PRODUCT SPECIFICATIONS:
