

# ELH SERIES POWER SUPPLY

ELECTRONIC ECONOMY HARDWIRE | 60W | 12V

|         |                      |
|---------|----------------------|
| Part #  | UT-PS-ELH-60W-12V-MW |
| Project |                      |
| Type    |                      |

Our ELH Series electronic economy power supply is a reliable hardwire AC/DC driver which fits inside our EL-Box. This driver is certified to CSA Class 2 Standards and is compatible with 12V U Technology UNITI Series Light Engines, MIKRA Cabinet Lights and EFFORTLESS Series Sensors. This non-dimmable driver works smoothly with DC controls for PWM systems.

*All dimensions are approximate, please acquire product sample(s) for precise size and milling.*

## PRODUCT SPECIFICATIONS:

|                     |                       |
|---------------------|-----------------------|
| Dimensions (inches) | 6-3/8 x 1-5/8 x 1-1/4 |
| IP Rating           | Dry location (IP20)   |
| DC Output Channels  | 1 channel             |
| Watts per Channel   | 60W                   |
| Recommended Load    | 10 - 75%              |
| Input AC Voltage    | 100-240V AC           |
| Output DC Voltage   | 12V (5 Amp)           |
| Output Type         | Constant voltage      |

|                    |                                 |
|--------------------|---------------------------------|
| Power Factor       | Up to 85%                       |
| Dimming Style      | DC (PWM)                        |
| Temperature Rating | -30°C to +40°C                  |
| Connection Style   | Hardwire, J/B Not Included      |
| Mounting           | Fits inside U Technology EL-Box |
| Certification      | cUL Recognized Component        |
| Warranty           | 3 years*                        |

*\*Based on Recommended Load*

## ORDERING INFORMATION:

|         |                      |
