

SWITCH SERIES

MICRO-TOUCH DIMMER

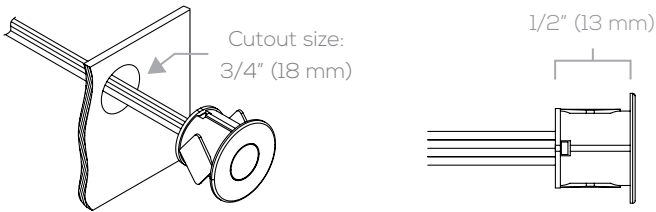

Part #	UT-SEN-TDM-SL
Project	
Type	

Our SWITCH Series micro-touch dimmers are a perfect solution for custom functionality for our 12V and 24V LED lighting products. They are easy to hide and make an excellent upgrade to cabinetry, shelving, stairs, under-cabinets and more. The TDM adds a discrete controller to give dimming and switchability to lighting with the touch of a finger.

All dimensions are approximate, please acquire product sample(s) for precise milling.
