

## Hose Adapter Quick Connect Kit

# Easily hot-swap gardening accessories without endless trips to your hose bibb.

### Instant Water Access

Simply push and twist for a secure, leak-free seal. No more struggling with threaded fittings to swap accessories.

### Lead-Free Materials

Manufactured from non-toxic, corrosion-resistant stainless steel and military-grade polymers for long-lasting outdoor durability.

### Universal Compatibility

Connect under full pressure and swap hoses or nozzles in seconds. Compatible with standard garden hose threads.

<b>Available Colors</b>	Aquor Blue and Jet Black
<b>Warranty</b>	5-year limited warranty

## Additional Info

- Why is there an extra spring in the box? This spring is for water systems with low pressure. If you have low water pressure, simply remove spring in adapter and replace.
- Unplugging connector WILL stop water flow immediately.
