Compatibility Model V2+	House Hydrant V2+
Material	Stainless Steel
Dimensions	4-7/8" x 4" x 1/4"
Available Colors	Brushed Stainless Steel and Matte Black Stainless Steel
Warranty	5-year limited warranty

Installation

- Before securing, take note of the hole location to ensure you have the plate in the right position.
- Secure plate to wall with included counter sunk fasteners or adhesive. For masonry or brick, we recommend masonry specific fasteners.
- Attach Hydrant to plate using included machine screws. Note, the longer screws go above, shorter screws below.
- To clean, use paper towels or a cloth, and gently wipe with warm water and mild soap.
