TOP

The image shows a rectangular sheet of white paper with rounded corners. At each of the four corners, there is a small circular punch hole. In the center of the page, there are two black-and-white logos side-by-side. The logo on the left is a square containing a stylized figure holding a torch, with the words "THE JEFFERSON FOUNDATION" printed below it. The logo on the right is a circular seal featuring a central emblem surrounded by text, which appears to be "NATIONAL ACADEMY OF SCIENCES".

BACK

A horizontal line with a vertical line segment extending downwards from its center. Below the vertical segment is the word "BOTTOM" in bold, black, uppercase letters.

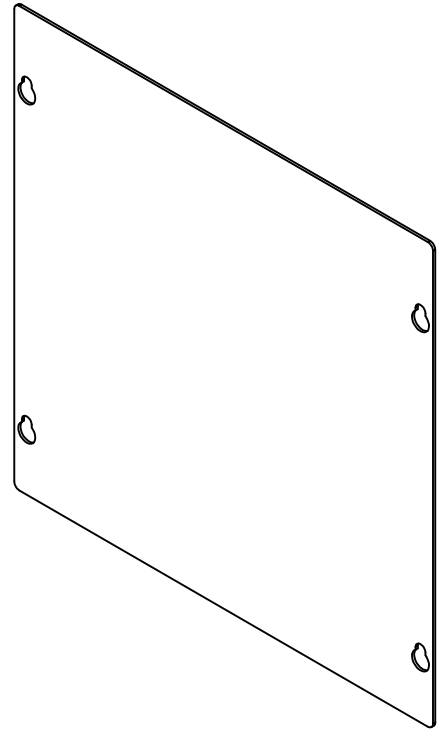

LE

A square plot with a light gray background and a black border. Four small, stylized black markers are positioned at the corners of the square. Two vertical labels are located outside the square: '0.000' on the left and '10.000' on the right, both oriented vertically.
