31.0-in. x 17.81-in. Matte Black Fragranite Double Bowl Low-Divide Kitchen Sink. Maris sinks are equipped with deep capacity bowls. The double bowl design allows you to multi-task with ease, while the low divide creates a larger single bowl perfect for cleaning oversized cookware and bakeware. With our easy-to-use integrated ledge system, you'll accomplish more with your sink while making the most of your surrounding counter space. The rear drain maximizes the usable surface of the bowl and creates extra cabinet space beneath the sink. Maris Fragranite sinks are scratch-resistant, fade-resistant, and impact resistant and will retain their new appearance for years. Sink strainer assembly included.
