

WEB ADMINISTRATOR APPLICATION

Our same great service is now available online. An online account will give you the ability to **FIND** the products you need and where they are in stock, **ORDER** them whenever you want, **ACCESS** live pricing and purchase history and **MANAGE** your project quotes and lists all in one place. This will offer you convenience, flexibility, efficiency and enhanced productivity all in one place: **bartlegibson.com**.

ADMIN ACCOUNT FEATURES:

- Configure Budget Management
- Manage User Access & Permissions
- Assign/Edit Ship-Tos
- View & Approve Requisitions
- View Invoice History
- View Order History
- Approve Orders
- View Saved Orders
- Save Orders
- Request/View/Manage Quotes
- Add/Edit/Delete Product Lists

We look forward to working with you and greatly value your business.
