A DIVERSE TUSCAN ESTATE

The 100% estate grown and bottled wines are created by winemakers Pierre Seillan and Lawrence Cronin. These expressive wines are guided by the unique terroir of the estate.

GRAN SELEZIONE, STRADA AL SASSO

- This 100% Sangiovese wine is sourced exclusively from the La Porta vineyard block, and is intense, brooding, concentrated and complex.
- The aromatics are saturated with dark fruit, dark-roasted coffee beans, and violets. The palate is commanding, with dried plums, nutmeg, earth, wet slate, firm acids, and fine tannins.

VALADORNA

- Sourced exclusively from the Valadorna and Capraia blocks, which produce the estate's most complex and mineral-led expressions of this variety.
- The nose is filled with aromas of jasmine, cumin, and vanilla bean. The palate boasts flavors of blueberry pie and bright sour cherry, as well as hints of sweet cedar, iron, and graphite.

ARCANUM

- Sourced primarily from the L'Apparita and Belvedere blocks of Cabernet Franc, which have superb sun exposure and sandy clay soils and produce the finest expression of this variety.
- Built to age yet drinkable young, this wine offers aromas of violets, roses and raspberries, with long and delicate spice notes.
