

# Wine.com Presents: Brunello Superstars

**Caparzo  
Brunello di Montalcino**

Ruby red wine color, tending toward garnet with age, this wine offers complex, penetrating aromas of wild berry fruit. On the palate, it is dry, firm, harmonious and delicate. Great with roasts, grilled and spit-roasted meats, game, braised meats and aged cheeses.

**Argiano  
Brunello di Montalcino**

This Brunello di Montalcino is distinguished by its elegance and its deep ruby red color. It presents a good concentration on the mid-palate and a persistent aftertaste, with a rounded and voluptuous body, and interesting, silky tannins. It unites potency and elegance and looks like having a promising future. With its tempting perfumes of red berries and its clean freshness, the complexity of this wine presents an excellent balance.

**Frescobaldi CastelGiocondo  
Brunello di Montalcino**

The CastelGiocondo Brunello has a bright, rich ruby-red hue. On the nose, notes of raspberry, blackcurrant and vague hints of blueberry. Elegant notes of violet emerge. Spicy tertiary notes are then released, due to the lengthy ageing process. Cinnamon, pepper and leather combined provide elevated elegance, finishing on a balsamic note. The wine's enveloping mouthfeel impresses with balance, dense tannic texture and minerality, along with a persistent finish.
