The Youth Orchestra of Northern Alberta (YONA) Sistema program is hosting a bottle drive!

Please save your empty bottles and cans to donate to a good cause!

All proceeds will go directly to our YONA program, supporting roughly 150 students in and around Edmonton. Your donation provides these students with instruments, music education, and academic support; all at no cost to the families.

*P.S - If you can't make it, you can still donate your bottles to YONA! If you sign up for the Skip the Depot app, you can designate the funds to the YONA program! :)*

*COVID Safe!  
We will provide
