JEANTET ADVISED H2AIR IN THE CONCLUSION OF A STRATEGIC PARTNERSHIP WITH iCON INFRASTRUCTURE LLP

Paris, 22 April 2025 - Jeantet advised H2air in the conclusion of a strategic partnership with funds advised by iCON Infrastructure LLP aimed at supporting H2air's development and accelerating its growth.

Founded in 2008, H2air is a leading independent developer of onshore wind and solar projects in France. Based in Amiens (*Somme*), the company currently owns and operates 13 onshore wind farms with a total installed capacity of 263 MW. With over 150 employees and nine regional offices, H2air is actively developing a pipeline of wind and solar projects exceeding 3 GW.

Established in 2011, iCON has assets under management of over $8 billion and has made investments across various sectors including energy & environment, transportation, utilities, telecommunications and social infrastructure.

The partnership between H2air and iCON reflects their commitment to the development of renewable energies in France, and is in line with the country's energy transition objectives.

Jeantet's team that advised H2air was led by **Philippe Raybaud**, partner, **Thibault Willaume**, counsel, and **Aude Cassaigne**, associate, on transactional matters. **Alexae Fournier-de Faÿ,** partner, and **Julien Angot**, associate, advised H2air on financing matters. **Laetitia Ternisien**, partner, and **Marie Trébuchet**, associate, covered labour law matters. **Catherine Saint Geniest**, partner, and **Chloé Abgrall**, associate, were involved on commercial real estate matters, and **Frédéric Sardain**, partner, and **Pauline Choupot**, associate, on intellectual property and data protection matters.

iCON was advised by **Herbert Smith Freehills Paris LLP**.

BNP Paribas CIB and **DC Advisory** acted as financial advisors in this transaction.
