JEANTET ADVISES KEON ON A €40 MILLION BOND FINANCING ARRANGED BY SIENNA INVESTMENT MANAGERS

Paris, June 2, 2025 - Jeantet advised KEON Group, a leading French player in the biogas sector, on a €40 million bond financing arranged by Sienna Investment Managers. This strategic transaction marks a new milestone in KEON's development and consolidates its position as a leader in the green gas sector.

KEON operates across the entire biogas value chain through several specialized subsidiaries: engineering, construction, financing, input supply, and operations. Since its creation in 2005, the group has built an integrated and sustainable model based on local partnerships with farmers, communities, waste treatment operators, and industrial companies.

This financing will enable KEON to accelerate its development over the next three years, with the aim of doubling its portfolio of operational projects by 2028 while expanding internationally. It follows a major fundraising round in January 2022 with the pan-European investment fund Marguerite.

The Jeantet team advised KEON on all legal aspects of the transaction.

Jeantet's interdisciplinary team was composed of **Alexae Fournier-de Faÿ** (partner, Banking and Finance, Energy), **Julien Angot**, **Jérémy Lelot** (associates), **Hélène Gelas** (partner, Public Law, Energy, Environment), **Adrien Braille**, **Eléonore Kerjean** (associates), **Philippe Raybaud** (partner, Corporate M&A), **Wyssam Mansour** (Corporate M&A partner**), Aude Cassaigne** and **Warda Zekraoui** (associates).
