Research Management Cell (RMC) PCM JOURNAL OF CONTEMPORARY MANAGEMENT

CALL FOR PAPERS

The **PCM Journal of Contemporary Management**, peer-reviewed publication of Research Management Cell (RMC), Pokhara College of Management (PCM) is pleased to announce the publication of its inaugural Volume 1, Issue 1 (December, 2026). The journal provides an academic platform for researchers, academicians, practitioners, policymakers, and research scholars to share original research, theoretical insights, practical applications and contemporary perspectives in management and related disciplines.

We invite high-quality original research papers, review articles and conceptual papers addressing emerging issues, innovations, challenges, and practices in contemporary management on (but are not limited to) the following areas:

- Contemporary Issues in Business, Management and Economics
- Entrepreneurship and Innovation in Management & ICT
- Tourism, Hospitality and Service Management
- Marketing, Branding, Promotion and Consumer Behaviour
- Financial Management and Accounting
- Digital Transformation and E-Business
- Artificial Intelligence and Technology Management
- Operations and Supply Chain Management
- Corporate Governance and Business Ethics
- Sustainable Business, Green Management and ESG
- Leadership, Change Management and Organizational Behaviour
- Healthcare, Capital Market and Construction Management

Submission Guidelines

Authors are requested to ensure that:

1. Manuscripts must be original, unpublished, and not under consideration elsewhere.
 2. Articles must be submitted in English language between 3,000-6,000 words. (Excluding abstract, references and appendices)
 3. Manuscript must be in Times New Roman font with 12 pt font size and single line spacing.
 4. The manuscript should have these components: abstract, keywords, introduction, literature review, methodology, findings/results, discussion, conclusion, and references.
 5. The manuscript, tables, citation and references should follow APA (7th edition) style.
- Manuscripts exceeding a 20% AI-generated content score or a 15% similarity index won't be accepted for publication.
 - No any APC Charge will be applied to proceed your manuscript.
