

Below is a reference copy of Zapier's previous Data Retention/Deletion disclosure from January 24, 2024. Please note that this information is now outdated; it was replaced by Zapier's current Data Retention/Deletion disclosure, which may be accessed at: <https://www.zapier.com/legal/data-retention-deletion>.

# Data Retention/Deletion/Export

Below is information on Zapier's data retention/deletion practices for Customer Content processed in Zapier services (last updated: January 24, 2024).

[Prior version](#)

## Zaps/Workflows

<b>Zap Content</b> (content transferred in and out of Zaps)	<p>7 days in logs.</p> <p>29-69 days in your Zapier account. If you subscribe to the <a href="#">Company plan</a>, you can set a <a href="#">shorter retention period</a> in your Zapier account.</p> <p>Up to 4 months in backup.</p> <p>Zap Content transferred when you <a href="#">test a Zap</a> is stored until you delete the Zap. Once you have deleted the Zap, the Zap Content will then be subject to the other retention periods above.</p>
<b>Zap Runs</b> (metadata about Zaps, such as name of the Zap, dates and times of the Zap run, and the Zap status)	<p>7 days in logs.</p> <p>29-69 days in your Zapier account. If you subscribe to the <a href="#">Company plan</a>, you can set a <a href="#">shorter retention period</a> in your Zapier account.</p> <p>Up to 4 months in backup.</p> <p>Zap Runs are also stored in Zapier's non-production database for internal Zapier product analytics purposes.</p>
<b>Zap Metrics</b> (statistical metadata about Zaps)	<p>Zap Metrics are stored in your Zapier account to provide you with relevant metrics about your Zaps.</p> <p>Zap Metrics are also stored in Zapier's non-production database for internal Zapier product analytics purposes.</p>

<b>Deletion Options</b>	<p>These options describe how to manually delete a Zap or Zap Content from your account. Otherwise, data is deleted from logs and backups based on the standard retention periods described above.</p> <p><a href="#">Delete your account</a></p> <p><a href="#">Delete data in your account</a></p> <p><a href="#">Delete a specific Zap</a></p> <p><a href="#">Delete specific Zap Content and Zap History</a></p>
<b>Export Options</b>	<p>These options describe how to export a Zap or Zap Content from your account.</p> <p><a href="#">Export your Zaps</a></p> <p><a href="#">Export your Zapier Account Data</a></p>

[Export your Zap History.](#)

**Note**

Deleting Zaps/Workflows or Zap Content does not delete that content in other Zapier products.
