

This smart disk-type oil skimmer removes only oil from your sump, even if on all day. Continuous duty motor.

FEATURES:

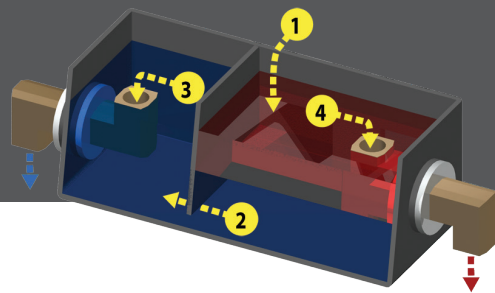

- Saves you nearly \$300 per year over Simple Disk Skimmers
- Integrated Diverter™ knows the difference between floating tramp oils and coolant
- Continuous-duty, fan-cooled motor
- Rugged steel construction
- Lifetime warranty on wipers and 90-day on disks, 2 year warranty on all other parts
- 2 quarts per hour oil removal capacity
- 1/2x12" (13x300mm) sump access needed (for 12" disk model)
- Maximum temperatures of 80°F (27°C)
- Recommended accessory shown below shown below

To determine the reach required, measure the distance from the mounting point to the lowest operating fluid level.

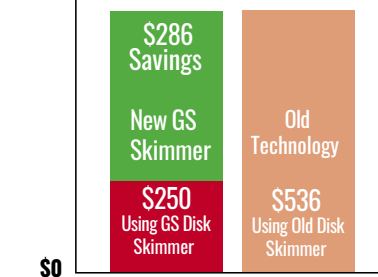

HOW THE DIVERTER WORKS

1. Oils (tramp and coolant) enter here
2. Coolant sinks and passes under this weir
3. Clean coolant returns to your sump here
4. Tramp oils discharge to waste container here

Operating Costs

Per Sump Per Year

Model	Part Number	Description
