

## EXCLUSIVE TECHNOLOGY TO SUPPORT HEALTHY, ACTIVE PETS

### FULL SPECTRUM HEMP CBD OIL FOR DOGS AND CATS

Your cats and dogs aren't just pets, they're cherished members of your family. That's why we've created UltraCell<sup>®</sup> Pet, a full spectrum hemp CBD oil specifically for your furry family members!

Choose UltraCell Pet for:

- Easy to understand serving size based on your pet's weight.
- Delicious salmon flavor your dogs and cats will love.
- Wild-caught salmon oil, which helps support a healthy coat.

#### THE POWER OF CBD FOR PETS

Your pets have an endocannabinoid system just like you do. CBD is believed to provide similar benefits for them as those reported in humans and has shown remarkable success in supporting dogs and cats with maintaining optimal levels of health.

#### CHOOSE THE BEST FOR YOUR PET

As we all know, oil and water don't mix. It's a widely known fact that oil-based supplements are poorly absorbed by the body. Our full spectrum, hemp-based cannabinoids have been made water-soluble for enhanced absorption.\*
