## THE RIGHT INGREDIENTS

Our proprietary blend is formulated to increase the levels of naturally produced hyaluronic acid and collagen, and to elevate the health of your skin. The blend includes Squalane, which mimics your skin's natural oils to protect it, Soybean fiber to promote increased skin elasticity and hydration, and Mexican Blue Agave Extract to support moisture retention for smoother skin.

The Lishé™ by Zilis™ line of skincare products includes *Refresh* Foaming Cleanser, *Restore* Face and Neck Serum, *Rejuvenate* Eye Cream, *Recover* Moisturizer, and *Revive* Lip Balm.
